Why a Pen & Ink Pet Portrait?

Pen & Ink captures Your Pet in bold, Minimal Style

Your portrait may be in dramatic black-and-white or, if you prefer, subtle coloring with watercolor can be added. Plus, Pen & Ink drawings are my most economical choice.

Quality Materials – Professional Work

Your portrait will be created on either white or cream-colored 100% rag printing paper. It will be hand-drawn with a traditional dip pen and waterproof black India ink. Portraits are completed in the order received.

“Your satisfaction in the Likeness and Quality of your Portrait is 100% Guaranteed.”

Get the Exact Portrait You Want

There are plenty of options for your portrait. These include more than one pet in the portrait, a head study or full body pose, customized backgrounds, and even special orders.
